C-Series - TC C420

Trustworthy reliability and easy deployment

This thin client provides an affordable thin cloud computing solution that delivers trustworthy reliability with ease of deployment and use.

HP Hardware With NoTouch OS Preinstalled
The combination of powerful HP hardware and the innovative NoTouch OS make the TC C420 an impressive and unique product.

A compact 0.88 liter thin client with convenient horizontal orientation is the perfect fit for any range of compact workspaces. Reduce power consumption and help lower your costs with an energy-efficient design.

This device comes pre-installed with NoTouch OS, and supports a wide variety of digital services such as Citrix XenApp/XenDesktop, VMware Horizon View, and terminal emulations.

Connect to the #1 Thin Client Management Solution
Meanwhile the NoTouch Center management solution offers simple and centralized network management, designed specifically for Thin Client networks and repurposed PCs.

Superior Hardware and Warranty
The C-Series offers the quality, energy-saving hardware of Hewlett-Packard that includes a 3-year pick-up and return guarantee. This thin cloud client with the secure NoTouch OS pre installed is available from your preferred Stratodesk partner.

TC C420 at a Glance

» Compact 0.88 liter thin client
   • Convenient horizontal design
   • Mount on a flat surface or behind a display
   • Fits into a range of compact work spaces

» Fan-less design for ultra-quiet deployments

» Energy efficient - reduced energy consumption

» Long life cycle with no moving parts

» 3-year pick-up and return guarantee

» Low total cost of ownership (TCO)
   • No disposal costs within the EU
   • Maintenance-free

» Low total cost of ownership (TCO)
   • No disposal costs within the EU
   • Maintenance-free

C-Series - TC C420

Hardware Specifications TC E-Series

» Mainboard
• AMD Embedded G-Series
• GX-209JA SOC-Dual-Core (1 GHz)
• 2 GB DDR3L SDRAM

» Flash Memory
• 8 GB MLC

» Display:
• 1x DVI-D
• 1x VGA

» Network/Ethernet
• LAN: Integrated Gigabit Ethernet
• WLAN: Broadcom 802.11n2x2 Wi-Fi
• Network Interface with Bluetooth (optional)

» Interfaces
• 2x USB 2.0 (front)
2 USB 2.0; 1 RJ-45 (rear)

» Audio
• 3.5 mm stereo socket (front)

» Operational Conditions
• Temperature 10°- 40°C
• 10% to 90% non-condensing humidity

» Power Supply
• 45W external power adapter
• Worldwide auto-sensing
• 100-240 VAC, 50-60 Hz
• Surge tolerant
• ENERGY STAR® certified
• EPEAT® Gold registered

» Dimensions & Weight
• 18 x 14 x 3,5 cm
• 0,74 kg

» Warranty
• 3-year HP pick-up and return
• warranty

» Accessories
• Keyboard, mouse

NoTouch Center

Centralized Thin Client management made easy, with the user-friendly and efficient NoTouch Center management software.

Manage configurations, roll-outs, and updates for your entire Thin Client network directly from your web browser.

More highlights: integrated asset management and peripheral inventory, flexible reporting ng tool, group hierarchy based on inheritance, and remote helpdesk. Available as a virtual appliance and as a Windows installation.
